

Get Paid Faster with Payspan[®]

Join no-cost, educational webinars and learn the Payspan system

Payspan provides a web-based solution for electronic fund transfer (EFT) and electronic remittance advice (ERA) delivery service at no cost to Wellcare providers. Payspan offers convenient payment and retrieval of remittance information, reduced accounting expenses, elimination of paper checks and more.

This webinar will cover how to:

- Register with Payspan (new user).
- Add additional registration codes to an existing Payspan account.
- Navigate the Payspan Provider Portal.
- Search and view payment details.
- Change bank account information for automated clearing house reimbursement.
- Change or add user access.

Topic: Registration and navigation of the Payspan system
