

# Improving Access to Care

## Help your Wellcare DSNP Patients with transportation

Call 888-889-0738      Vendor: MTM

### Transportation Benefit

- Decrease no-shows
- Increase patient attendance to Annual Preventive Visits
- Increase patient attendance at regularly scheduled appointments
- Improve Medication Adherence
- Improved Patient outcomes due to preventive care and controlled chronic illness

### What is medical transportation?

Medical transportation is a ride service that provides a way for members to get to and from their home for their medical care. *The medical transportation benefit is only available for select plans.*

Members with the transportation benefit can use this service to get rides to and from their medical appointments, treatments or other places related to getting care. You can use your rides for:

- Doctor appointments
- Pick up prescriptions at the pharmacy
- Dialysis treatment
- Rehabilitation (Occupational, Physical and Speech Therapy)
- Radiation therapy
- Hospital discharge pick-ups
- And more
