Musculoskeletal (MSK) Prior Authorization Program  
Provider Educational Webinars**

In an effort to continue promotion of quality improvement for services provided to WellCare of New Jersey, WellCare, and Ambetter from WellCare of New Jersey’s members, effective **July 1, 2023**, WellCare of New Jersey, WellCare, and Ambetter from WellCare of New Jersey are expanding their existing partnerships with National Imaging Associates, Inc. (NIA). This program includes prior authorization for non-emergent MSK procedures including outpatient, interventional spine pain management services (IPM) specific to spinal cord stimulators; inpatient and outpatient hip, knee, shoulder, lumbar and cervical spine surgeries for WellCare New Jersey Medicaid, Medicare, and Exchange members. This decision is consistent with industry-wide efforts to ensure clinically appropriate quality of care and to manage the increasing utilization of these services.

WellCare of New Jersey, WellCare, Ambetter from WellCare of New Jersey, and NIA welcome providers to attend an upcoming provider education webinar on the NIA Musculoskeletal Program prior authorization process.
